The Faculty of Life Sciences: Food, Nutrition and Health at the University of Bayreuth (Campus Kulmbach) is inviting applications for a

### Student Assistant (m/f/d) position

This role is available from November, 15 to December 23, 2024, requiring a commitment of 20 hours/week

#### Your Tasks:

- Guided support during the laboratory course in Nutrition Physiology (December, 02 – 20, 2024, every Monday from 08:00 AM to 01:00 PM and Friday from 08:00 AM to 4:00 PM)
- General preparatory tasks within the laboratory setting starting in November, 2024
- Administrative tasks

#### Your Profile:

- High intrinsic interest and motivation for Nutrition Physiology
- Active thinking, structured work and a sense of responsibility
- Reliability and willingness to work in a team environment
- Preferably some initial laboratory experiences

#### We Offer:

- Insights into research and teaching activities in an interdisciplinary and international environment
- Compensation according to the applicable rates for student assistants
- Optionally, the possibility of a bachelor/master thesis in Nutrition Physiology, as well as the opportunity for an additional student assistant position in February 2025

**The application deadline is September 30, 2024.** Please send your application with a short motivation letter, CV, and any relevant references by email (as a single PDF file) to [susanne.mattis@uni-bayreuth.de](mailto:susanne.mattis@uni-bayreuth.de).

**For international students: Please note that your visa / work permit needs to be valid at least until December 23, 2024.**

Should you have any questions, please contact Dr. Marika Haderer and Susanne Mattis.
